As new or reinstated members join us, pictures will be taken and emailed to you - just add them at the end of our picture roster. If you do not have email capabilities and are on our regular mail list, new pictures will be mailed to you.

Although Club updates are only printed twice a year, you can go online to our website to view the entire membership picture roster:

IF you'd like to replace your current picture with one of your choice, just scan it and email it to:

Or....at a General Meeting just ask one of our photographers to retake your picture!
